Is there a way to access Help while I am in the game?

Vicki Almond - 2009-05-13 - in Gameplay Questions

Is there a way to access *Help* while I am in the game?

Help can be accessed in the *Myst Options* panel. Tapping the *Help/Info* button will open the *Myst Help* page. Tap the *Options* button in the upper left corner to return to the *Myst Options* panel.
