## Where can I find a game guide/walkthrough?

Lloyd Woodall - 2018-01-22 - in Gameplay Questions

There are a variety of Obduction guides and walkthroughs available with an internet search, but we recommend starting with the Obduction Exploration Guide found at [https://obduction.gamepedia.com/Obduction\\_Exploration\\_Guide](https://obduction.gamepedia.com/Obduction_Exploration_Guide)

It is the official walkthrough for the game.
