Which languages will be supported in the Myst 25 Collection?

Lloyd Woodall - 2018-04-12 - in MYST 25

The original games that we're basing the wrapped updated versions on had various levels of localized language support, some with various languages on a unified version and some with separately localized versions. We're still in the process of looking at all the combinations and seeing what all works. But at this point in time, here is what we have to the best of our knowledge...

Localization
