UPDATE: The Myst 25th Anniversary Collection Kickstarter has ended. Maybe if another comes along, the information in this FAQ entry may help you. Enjoy!

If this is your first Kickstarter, welcome! It's easy to get involved, and being a part of the community can be a lot of fun.

To support the Kickstarter for the Myst 25th Anniversary Collection, all you have to do is follow these steps...

Click on the pledge level you want to back.

Enter your email address and "Continue as guest."

Enter your payment information.

Click the big green “Pledge” button.

That's it! You've supported the Myst 25th Anniversary Collection Kickstarter campaign!

If your pledge is processed successfully, you'll receive a confirmation email at the email you used to create your Kickstarter account.

Your payment method will not be charged at this time. If the project is successfully funded, your payment method will be charged when the project ends.

Please note: Kickstarter is not a store, it's a way to bring creative projects to life.

Kickstarter does not guarantee projects or investigate a creator's ability to complete their project. It is the responsibility of the project creator to complete their project as promised, and the claims of this project are theirs alone.
