In 2019, Fangamer sent all eligible backers (\$49 USD tier and higher) an email to confirm their contact and reward choice information, and emailed the same survey to Backers who pledged directly through Fangamer.

Please use [this Fangamer Survey Support link](#) to update any information, or [contact Fangamer directly using this link](#) if you have any questions.

*The deadline for any changes to the name you want to have in the game's credits is **March 15th, 2023**. If you need to make changes, make them now!*
